Would you like help with leading services in your parish church?

A timely email arrived this week about the Lay Worship Leaders' Course:

‘This one year course is a great way to develop potential worship leaders, members of an all age service team, or church musicians. It is also particularly useful for **churchwardens** when facing a **vacancy** within the parish or benefice.’

Pippa has been sent the introductory leaflet and application form for the next course which will run from late September 2024 to early July 2025. All the dates of sessions are within the leaflet. The course uses a mixture of online learning via Zoom on 11 Monday evenings and face to face training in different churches around the diocese on Saturdays (four sessions 10 am - 2 pm and one session 9.30 am - 4.30 pm).

‘If anyone would like to know more, please get in touch with me via email or phone - 07786030399. The closing date for applications is Friday 12 July 2024.

With best wishes, Helen

News from the Foodbank, early summer 2024

The headlines

In the last 12 months (1st April 2023 - 31st March 2024) the Rutland Foodbank received 820 referrals requesting emergency food parcels for households across Rutland struggling to get by on low incomes. This is a 15% increase in the number referrals compared to the previous year, as more and more people struggle to afford essentials such as food.

- - The referrals were residents living in 305 households across Rutland.
 - 121 (15%) of the referrals were for new households who had not previously been helped by the Rutland Foodbank.
 - Of concern, 446 (57%) of the parcels were provided to households which included children.
 - Nearly 27% of the parcels were provided to those in work but struggling to afford food, this was a 7% increase compared with 2022-23.
 - The levels of need were particularly acute in January 2024 which was the busiest month for Rutland Foodbank, with 82 emergency food parcels provided by volunteers.
 - Nearly 40% of households only needed to be helped once during the year but there were some that needed more emergency help. In all we sent emergency food parcels to 1189 adults and 850 children, not forgetting their household pets.
 - Ingredients for over 43,000 meals were distributed.
- Over 31,300 kg of donated items were sent out across Rutland.

As always, if you have any questions or comments, please get in touch.
