All welcome!

A superb evening in Ridlington, hearing about the history of the 200+ year old musical instruments in the church: violin, flute, 4 clarinets and a bassoon with a metal bell joint. Modern instruments were available for comparison; I was disappointed not to get a sensible sound out of the bassoon.

Support for parishes from the Diocese

A team from the Diocese came to Empingham on 17-6-24 and spoke about ways they can help us. Most of our parishes were represented.

Here are a few notes I made (but no guarantees my slow left-handed scribble is fully accurate) :

Context: we face challenges with finding volunteers, finances, buildings

There are also many good things going on in the churches of the Diocese

Parish Share: this has been level for 4 years; about 80% of the amount requested is being paid; the Diocese is using reserves but cannot do so for many years

Working together, there are many areas Parishes and the Diocesan support staff are addressing the challenges through different areas, e.g.

Communications—sharing encouraging news

Being transparent about financial challenges

Encouraging generosity

Measuring the impact of initiatives

Generous Giving team has been helping parishes install electronic giving machines, which typically receive about £100/month. Having a QR code let people give from their phones was mentioned too.

For a fee of typically £25/month the Diocese will undertake the bookkeeping aspect of the Treasurer' role.

The teams focussing on Mission, children/young people, communications, finance, vocations etc. are all available to help PARISHES. Take home message: ask

News from the Foodbank, early summer 2024

The headlines

In the last 12 months (1st April 2023 - 31st March 2024) the Rutland Foodbank received 820 referrals requesting emergency food parcels for households across Rutland struggling to get by on low incomes. This is a 15% increase in the number referrals compared to the previous year, as more and more people struggle to afford essentials such as food.

-
- The referrals were residents living in 305 households across Rutland.
- 121 (15%) of the referrals were for new households who had not previously been helped by the Rutland Foodbank.
- Of concern, 446 (57%) of the parcels were provided to households which included children.
- Nearly 27% of the parcels were provided to those in work but struggling to afford food, this was a 7% increase compared with 2022-23.
- The levels of need were particularly acute in January 2024 which was the busiest month for Rutland Foodbank, with 82 emergency food parcels provided by volunteers.
- Nearly 40% of households only needed to be helped once during the year but there were some that needed more emergency help. In all we sent emergency food parcels to 1189 adults and 850 children, not forgetting their household pets.
- Ingredients for over 43,000 meals were distributed.

Over 31,300 kg of donated items were sent out across Rutland.

As always, if you have any questions or comments, please get in touch.
